Working to achieve safe, stable housing and life free from violence and abuse.

NEWSLETTER Oct-Dec 24

She Is Not Your Rehab

Lithgow Cares and Lithgow Community Projects were proud to host Mataio and Sarah Brown - founders/ authors of She Is Not Your Rehab, for a keynote presentation and a half day training event at the Maldhan Ngurr Nurra Lithgow Transformation Hub in November.

Mataio and Sarah Brown engage communities in the subject of domestic violence prevention to advocate for violence free communities.

Over 90 community sector staff and community members (including local school students) attended the keynote presentation.

Over 20 community sector staff attended the training session.

Portland Fun Day

LCP joined Lithgow Cares and other local organisations at the Portland Fun Day in October 2024.

Lithgow Cares was grateful to receive grant funding from Energy Australia to support its Portland Fun Day this year.

Core and Cluster update

The new Lithgow Core and Cluster building development has been approved. This has been made possible by the hard work of the team at Housing Plus.

We're hoping that construction may commence in April 2025, with an expected build time of around 16 months.

We will soon be involved in consultation for furniture, fixtures and equipment for our Core and Cluster project.

Any ideas for a name?

LCP is inviting name suggestions for the new Core and Cluster facility in Lithgow, and at the same time, we will be re-naming the existing Lithgow Women and Children's Crisis Centre.

We'd welcome your suggestions via the QR code below.

2023-2024

Culture Canvas

LCP recently took part in a Culture Canvas workshop, facilitated by Marika Kelly from Meraki People.

We really can't thank Marika enough for supporting the LCP team to define priorities, purpose, values and to document LCP's culture - we found it to be a positive team-building experience. We're looking forward to sharing the results.

Other Training

Staff at LCP also recently completed mandatory Managing Aggressive Behaviours and First Aid training.

Accessibility & Inclusion

Lithgow Community Projects are seeking feedback about accessibility and inclusion.

How could we make our service more accessible and inclusive?

Have your say by emailing:
admin@lcpinc.org,
or by telephone (02) 6351 2230

Other Feedback

We'd love to hear from you. Feedback can be provided by clicking on the link in our website:
